- 1.2 **Governance Development.** The Board believes that the educational interests of the University are furthered by encouraging an environment of collegiality. Therefore, it has established a system of shared governance in which the various elements of the institution are encouraged to participate. Without limiting its duties or authority, the Board directs its attention to matters of general policy relating to the institution’s mission, educational program, operation, and Strategic Plan.
- 1.3 **Policy Development.** The Board delegates responsibility for the development and administration of policies and management of the institution to the President, or his or her designees, including the appropriate unit or units of internal governance.
- 1.4 **Channel of Authority.** The channel of authority from the Board to the faculty, administrative officers, staff, and students shall be through the President.

 - (b) **Recommendations for the Board Transmitted to the President.** When faculty, administrative officers, staff, and students bring forward recommended changes to policies, programs, and other matters that require Board consideration, such recommendations should be transmitted to the President and by the President to the Board with his or her recommendation.
 - (c) **President to Engage Discussion.** If the President does not support the recommendations as forwarded, the President will first send it back to the recommending group with a statement of concerns and engage in discussions with the group regarding the proposal before forwarding it to the Board for consideration.
 - (d) **President’s Recommendation and Background Materials to be Provided to the Board.** Background information, perspectives of constituents, and the recommendation of the President will be provided to the Board.
 - (e) **Presidential Oversight of Governance Groups.** The Board has the responsibility for oversight of the President, but delegates authority to the President for oversight of faculty, staff, students, or others engaged in communications or by contract with the University.
 - (f) **Communication to the Board by Governance Groups.** The presidents of the Faculty Senate and Associated Students may, in exceptional circumstances,

communicate directly to the Board collectively through written communication. Copies of such communication will be provided to the President. The presidents of those groups shall serve as the representatives of their respective elected bodies at all Board meetings where they are welcome to address the Board directly.

- 1.5 **Attorney General of Washington Provides Legal Counsel.** The legal advisor to the Board is the Attorney General of Washington. The assistant attorneys general assigned by the Attorney General to represent the University shall provide counsel to the University to and through the Board. The assistant attorneys general provide legal counsel to the various divisions of the University through the President.

(See Appendix A.)
- 2.2 **Chair Spokesperson for the Board.** The Chair or his or her designee is the spokesperson for the Board. 2.4 Conflict of Interest Standards

The following standards apply to each member of the Board of Trustees of Western Washington University and are intended to serve as guidance for everyone serving on the Board.

- (a) **Fiduciary Responsibilities.** Members of the Board serve the public trust and have an obligation to fulfill their responsibilities in a manner consistent with this fact. All decisions are to be made solely on the basis of a desire to promote the best interests of the institution and the public good. The University's integrity must be considered and advanced at all times.

Trustees are often involved in the affairs of other institutions, businesses, and organizations. An effective Board may not always consist of individuals entirely free from perceived, potential, or real conflicts of interest. Although most such conflicts are and will be deemed to be inconsequential, it is every Trustee's responsibility to ensure that the Board is made aware of situations at the University that involve personal, familial, or business relationships.

(b) **Affirmation and Disclosure.** The Board requires each Trustee to annually affirm that the following standards must be adhered to:

1. **Board disclosure of personal, familial, or business relationships.** Each Trustee will disclose to the Board any personal, familial, or business relationship that reasonably could give rise to a perceived, potential, or real conflict of interest, as any such may arise.
 - i. **Public disclosure.** Trustees are required by RCW 42.17A.700 to file annual statements with the Public Disclosure Commission relating to business interests and receipt of gifts.
 - ii. **Completion of disclosure form.** Trustees must annually complete the disclosure form provided by the University. The completed forms are retained in the Office of the President.
2. **Disclosure of potential or real conflict of interest.** In the event there comes before the Board a matter for consideration or decision that raises a potential or real conflict of interest for any Trustee, the Trustee shall disclose to the Chair of the Board the existence of a potential or real conflict of interest as soon as possible.
3. **Recording of disclosure in minutes.** The disclosure shall be recorded in the minutes of the meeting where a vote by the Board will occur on the matter.
4. **Seeking counsel regarding disclosure.** In the event a Trustee is uncertain as to the need to make disclosure in a particular instance, the Trustee should seek counsel from the Chair and/or the President of the University. They, in turn, may elect to consult with legal counsel. A Trustee who is aware of potential or real conflict of interest with respect to any such matter shall not vote or participate in discussion in connection with the matter. That Trustee's presence may not be counted in determining whether there exists a quorum for purposes of validating the vote on the matter.

(c) **Situations Which Constitute Conflicts of Interest.** While it is difficult to list all circumstances which create conflicts of interest for individual Trustees, the law defines some situations as prohibited actions. These include:

1. **Assisting another person, whether or not for compensation, in any transaction with the University.** Example: Trustees cannot affect the admission of individual applicants for student status. Trustees might well be involved in admission standards through delegation, but do not make decisions on individual applications.
2. **Use of University resources for personal benefit.** Example: Trustees cannot have office space to conduct their personal business on campus.
3. **Use of official authority for personal gain.** Example: Trustees cannot vote to extend a contract to a business in which they have a significant financial interest.

4. **Receipt of gifts, gratuities, and favors.** Example: Trustees cannot accept money from businesses with which the University has contracts as an inducement from the business to execute/extend a contract; and if gifts have been received during a reporting period, the Trustee must report them to the Public Disclosure Commission.

SECTION 3

APPOINTMENT

- 3.1 **Appointment by the Governor.** The Board is composed of seven members appointed by the Governor of the state of Washington with the consent of the Senate for terms of six years, and one additional university student member, who is appointed annually by the Governor for a one-year term (RCW 28B.35.100).
- 3.2 **Oath to Discharge Duties.** Each member of the Board is required to take an oath to discharge faithfully, impartially, honestly, and to the best of his or her abilities, the duties of a Trustee (RCW 28B.10.520). (See Appendix A.)²

The Secretary shall be responsible for reviewing draft minutes of the Board meetings, which are prepared by staff assigned to the Board.

If the Chair is acting in violation, the Vice Chair shall be advised of the activity and shall direct the Chair to cease the inappropriate activity.
- 5.6 **Meetings of Board Committees.** Board committee meetings may be held before regular or special meetings, or at such time and such place as a committee chair may direct from time to time. - (c) **Student Success Committee.** The Student Success Committee of the Board assists the Board in an advisory capacity to advance inclusive success, increase the University's impact in Washington and beyond, and enhance the quality of Western's education programs and student learning experiences and its research and creative work. Directed by the Board of Trustees, the purpose of the Student Success Committee is to develop an understanding of Western's academic affairs and student affairs, with the intention of providing strategic oversight to advance student success at the University.

Members of the Board may appear by telephone or other telecommunications or video conferencing technology. Op. Att’y Gen. 4 (2017).
- 7.5 **Public Meetings.** All regular and special meetings at which a quorum of the Board is present shall be open to the public, with the exception of those portions of regular or special meetings specifically declared to be “executive sessions” as allowed by law, or to be otherwise exempt from the provisions of Chapter 42.30 RCW. (See Appendix A.)
- 7.6 **Notice of Agenda.** The President, with concurrence of the Chair of the Board, prepares a written agenda for each regular and special meeting. Copies of the agenda and supporting materials for a meeting are provided to the President and members of the Board and made available to the public approximately one week in advance of the announced meeting. Except as otherwise provided by law, the Chair, President, or any Board member may add additional items to the agenda for regular meetings without notice to the members of the Board or the public. However, the topics at special meetings are restricted to those for which advance notice has been given. Public notice of a special meeting must be made 24 hours in advance of the meeting.

APPENDIX B

Western Washington University Board of Trustees Board of Trustees Committee Charters

The Board of Trustees Committee Charters enhance the purpose and advance the work of the Board. The Charters allow the board to focus its work, which largely occurs in its committees, on discussions of key institutional issues and responsibilities that align with the Board's governance roles.

There are two standing committees of the Board established to facilitate the business of the Board and the University: the Student Success Committee, and the Finance, Audit, and Enterprise Risk Management Committee. These committees provide opportunities for board members to gain deeper understanding of specific areas or issues, increase engagement of board members with relevant university constituents on specific topics, and leverage individual board member's expertise. In addition, a special committee of the Board, the Executive Committee, ensures effective Board performance, and meets, as needed, on the call of the Chair of the Board.

All matters considered by the standing committees requiring action shall be referred to the Board for action.

A majority of the committee's voting members shall constitute a quorum.
