*Action by:**Action Sequence:*

Department Chair/Director,  
Search Committee and  
Faculty/Staff

2. Review of Candidate for Existing, Open Position  
In the case where a currently existing and open position is unfilled, whether a search is presently on-going or not, the search committee for the open position evaluates the EM candidate against the posted job description and requirements. The decision to proceed or not should be based on the qualifications and experience of the EM candidate, the needs of the department, college/division, and university, the available resources required to hire the EM candidate, and input from faculty/staff.

Contacts EO and HR for advice on affirmative action and equal opportunity or human resources issues.

If the search committee, along with faculty/staff, believes that the EM candidate could fill the open position, it may put the regular search on hold and initiate a full review of the EM candidate.

If the search committee, along with faculty/staff, after full review of the EM candidate, wants to proceed with the candidate, the search committee chair sends the candidate's materials on to the department Chair/Director with a recommendation to proceed. The department Chair/Director reviews the recommendation to proceed and provides a recommendation to the Dean/VP. Continue with

college/division's desire to recruit the EM candidate, the EM candidate's qualifications and experience, the needs of the department, college/division and university, and the available resources required to hire the EM candidate.

If a decision is made to proceed with an EM request, the Dean/VP seeks final approval from the Provost or President and negotiates the nature of position (full-time or part-time, tenure track/permanent or limited term) as is appropriate given the EM candidate's qualifications and experience, the needs of the department, college/division and university, and the available resources required to hire the EM candidate, and a financial package in consultation with the Provost or President.

After receiving all required approvals on the To/Through Memo, makes the offer to the candidate and completes the hiring process of the EM candidate when the offer is accepted. If an active search was put on hold and there are candidates in the pool, these individuals must be informed that the search has been closed.

If a decision is made not to proceed with an EM request at any point in this Procedure, then the department Chair/Director informs the candidate of the decision not to proceed.
